JULIA ON THE LINE AGAIN REPORTING SHE IS BEING HARASSED....SHE WOULD HAVE COME IN TO MAKE A REPORT SOONER BUT SHE IS VERY BUSY ALL DAY LONG. SHE CANNOT COME IN NOW ALTHOUGH WANTS TO MAKE A STATEMENT BECAUSE SHE NEEDS TO PUT HER DAUGHTER TO SLEEP FOR THE NIGHT. SHE SPOKE WITH P8 ON THE PHONE.

Julia told me the following in summary...
Julia was at Walmart today (Thursday 07/31) at approximately 1:35pm. and parked her vehicle, a white Chevy Impala out from the grocery doors. As Julia was walking towards the entrance with her daughter, Madeline, Julia overheard a female behind her "yelling and screaming, at the top of her lungs, Hey you fucking bitch! You better watch out!" Julia said she turned around and looked towards Rt 251 and noticed it was Mary Kramer, wearing a bright yellow City of Peru shirt and she was carrying a meter reading device. (Mary Kramer is Madeline's grandmother) Julia said Mary was about 100 feet from her when she was yelling. Julia also said Mary yelled, "You probably leave your daughter with strangers and you better hope your dad has alot of money for a lawyer." Julia continued, saying she has multiple reports on file and has long history of not getting along with Mary. Julia said she entered the store and Mary probably went on reading meters. I asked Julia if anyone witnessed the incident. Julia said there was a "case worker" present but the "case worker" did not hear any of the "violent and threatening" comments said by Mary. I asked Julia if she called the police when this was going on. Julia said "No, she was just too busy all day and now her daughter is sleeping so she can't come to the PD to report it, that is why she is calling at 10:11pm. Julia is also concerned about Mary working for the city of Peru and she thinks Mary will "misread or alter" her meter readings. I again asked Julia if any other people witnessed these remarks in the parking lot. She said no. I told she should have called the police ASAP and we could have dealt with the situation immediately. I told her if she would like to further the matter she could come to the PD tomorrow. She agreed.
